# ***EDITORIAL***

Last year in October, we celebrated the 25th anniversary of our Newsletter. And it is a privilege to thank God for His goodness and mercy that brought us through another year. To God be the Glory.

I thank God for our wonderful Newsletter team: Sister Cherry, Sister Nicole, and Sister Aduwa. Sister Cherry has taken some time off to address personal issues. I thank God for their dedication and commitment. May God richly bless them.

We thank the Saints for their support, testimonies, and prayers for the success of the Newsletter. We all are in this battle for souls together.

Our testimonies impact our lives more than we will ever realize, and God uses them to show others the power of His Blood.

Saints, never stop sharing the story of God's love in your life with others.

We thank the brothers for launching the new season for the Young People's meetings this year. I am excited because I believe the purpose of these meetings is to redeem, restore, and refresh our young people. God bless you for your labor of love. We have already seen changes in our youth, and we are grateful for what God is doing among us. Keep pressing the battle.

We thank Pastor Nelson for sharing Calvary's Love, Jesus Christ. We also thank him for the Anointed Word that equipped us to meet the challenges of this life.

We know that the Lord of Host is with us; the God of Jacob is our refuge. Let us go forward in His Name.

God bless you.

## FROM THE PASTOR'S DESK

*I have written this on behalf of the Pastor. And he agreed with the topic and the content. The content is from one of his writings on 'Prayer.'*

Once again, we are happy to publish another Newsletter. I will continue the inspiration of 'Prayer.'

The Holy Spirit has been telling us how important prayer is. We are reminded of the quote from the message **BELIEVING GOD: 52-0224**

**41** "The prayer of faith shall save the sick." That individual prayer. "The effectual fervent prayer of a righteous man availeth much." Oh, if you only knew, that in your hand Christ gave us the authority with His Name by being Christians, the most powerful weapon the world has ever known: Prayer, it even changes everything. It'll change the mind of God. It did do it. After death was pronounced to a man, he prayed; God told the prophet, "Go back and tell him I heard him." See there, prayer, hold on....

**The Prophet exhorted us to read the Bible every day, pray every day and don't make any decisions without first consulting the Lord.**

**SEAL OF THE ANTICHRIST: 55-0311**

**62** We have time for everything else, no time for prayer meetings. The home's all butchered up, and the girls and boys are out going around, larking around over the country, and mothers and fathers unconcerned, and yet Pentecostal. What we need tonight is a home altar in the house, a place where the Bible is read, and the children are taught the Word of the living God. Yes, sir.

**GOD MAKING HIS PROMISE: 56-1209A**

**51** You women that'll walk down the street and act and do the way they do and call yourselves Christians, shame on you, lady. See? What the matter? What's happened? It isn't like it used to be. Well, God don't change. The Gospel doesn't change. Something changed; you changed. What is it? You stopped your prayer meetings. You got to associating with Sister Suzy and them over there that went to the old, cold, formal groups. And the first thing you know, her spirit got on you. And there you are. That's what's the matter with you today.

God bless the Newsletter team for the wonderful work that they are doing.

Keep pressing on.

# ***INSPIRATION***

The shout of the King was in the camp as Brother Nathaniel Young announced the title of his exhortation, "**Let My People Go!**" The congregation shouted for joy.

Here is an excerpt from the exhortation:

In the Bible, there are a lot of physical and spiritual battles. But we know today it's more of a battle against spirits and spiritual wickedness in high places.

In the times of Moses people were up against Pharaoh and the Egyptians, and there were physical things that they could see, but in our time, there are influences of the world, such as music and spirits that come upon us: depression, anxieties, and things of that sort.

The people of God have been through many battles. The enemies they face always come for two things: They came to take their lives and to put them underneath bondage. It's just like the spirits today; they also come to do the same things. They come to take our lives and to put us underneath bondage because they do not want to see us living for God. They don't want us to receive the Holy Ghost and have God living in our hearts.

The Philistines and Goliath wanted to put the Israelites into bondage instead of killing them. They had a "so-called" mighty warrior on their side. Instead of killing them, they wanted them as slaves. So, they were like, "Oh, this is going to be easy just going to kill one of your soldiers, and then the rest of you are going to become our slaves."

*In 1 Samuel 17:9, If he be able to fight with me and to kill me, we will be your servants but if I prevail against him and kill him then shall thee be our servants and serve us.*

So, they were looking to put the people of Israel into bondage, just like the devil today is looking to put us into bondage. So not only did God deliver them from Goliath and save them, but he also delivered them from bondage. You could say that David was their Moses in their time because David also delivered them from bondage.

When it came down to the Israelites in their time, they had a Messenger sent to them who was Moses. But the children of Israel rejected Moses, who God came to speak through. So, they couldn't receive their message from the Messenger. So instead of receiving from God, they let the spirit of pride and judgment come upon their hearts, and they couldn't receive their freedom because they didn't accept the Messenger of their day. So, let us not have the spirit of those Israelites today. Let us listen to what God has to speak onto our hearts and just receive from Him.

The children of Israel were in bondage, so God sent Moses. God gave Moses the authority and the power to go before Pharaoh, the chief of all the mischief that the Israelites were suffering and to tell him, "**Let My People Go.**"

Once those words were said, there was nothing Pharaoh could do to keep the Israelites in bondage, because Moses got those words from God Himself. It was already a promise being made manifest.

God delivered his people from slavery by slaying a giant in David's time and by drowning out the Egyptians in the time of Moses. So, I ask you church today who is our Moses? Our Moses is Jesus Christ. I ask you again did He set us free? He set us free when He died on Calvary. When did He slay these evil spirits that we face today? When He said, "it is finished" on the cross. God has already chopped off the

head of every Goliath that we face in our lives. And He's already drowned every Egyptian that may run after us.

So, church don't look back on the way to freedom, don't be like lots wife. Don't be like the Israelites who wanted to go back to Egypt. They stayed so long in bondage; they lived in it for years, to the point where they accepted their fate and got so comfortable in their sin and got so comfortable in their bondage that even when Jesus was leading them onto a new path to freedom into the Promise Land, they wanted to turn back.

Let us not take this world as a comfort because the world is not our home. We're just passing through. God wants to deliver us and lead us to freedom. He has already opened the Red Sea. He's already won the battle. We are already victorious.

So, you may be wondering how we walk the path that Jesus has laid for us. We walk this path by praying and seeking God. Coming to church and just being in the will of God. We must humble ourselves to walk in His way that we may not walk in our way to what we think is best for us but to walk in what He knows is best for us. Jesus has already looked in the face of every sickness, every disease, and every evil spirit and He already said, "**Let my People Go!**"

We've already been set free; we just need to take up our cross and follow Him.

## The Message

### **THE CHILDREN OF ISREAL 47-1123**

27 We see how that all the church was a type, or a shadow of the Church that we have today: the calling out, bringing out of darkness into the marvelous light, led by signs and wonders of God, bringing them from Egypt, going up into the promised land.... And it's a very perfect type of the Church today being led out of darkness into the Light of Christ....

# ***REFLECTIONS***

I thank God for the message, 'Consuming Power,' preached by Brother Michael Mohan at the Young People's Service on September 25, 2022, and the inspiration, 'Whatever things you entertain will consume you.' What a timely message!

That morning as I was sitting in church and before the service started, I was thinking about the devils we face daily through the media. The older folks are no exception, and we meet the same challenges in the media as the younger folks but in a different form.

YouTube is my favorite channel. For anything I am looking for or want to know about, I check YouTube. For example, I recently looked for one of my favorite Christian Talk Shows, and my eyes spotted King Charles 111 in bold letters. I could not believe that the Queen had died. I got excited, and it aroused my curiosity. I started to read about the royal family, which I found interesting, so I continued to read, especially about Harry and Meghan. As I read about them, the news stimulated my mind, and I began to enjoy it. And I would go on YouTube as often as possible to read more of it. One day I felt convicted. I knew I was wasting my time on YouTube, and I stopped because it did not feel good anymore. Then it dawned on me that I was entertaining gossip. That was eye-opening. The devil is so subtle that he comes in different forms—the same spirit with many faces. But thank God I had adhered to His warning.

Then my mind went back to African weddings. I used to enjoy looking at them, but one day the Holy Spirit convicted me of looking at them dancing. They do not dance like us at weddings; they are very expressive in their dancing, and I was entertaining the spirit of lust and was unaware of it. Sitting in church, I told myself I must give my testimony.

Years ago, I completed a diploma in freelance writing. Upon completion, my tutor recommended that I take the novel course. I decided that I would write Christian Fiction. So, I enrolled to study novel writing, and in my second lesson, I opened my textbook to the second chapter, and my eyes fell on the name of the article, "Fiction is the Telling of Good lies." That stopped me, and immediately, my mind went to Revelation 21:8. *But the fearful, and unbelieving.... and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.* I couldn't proceed further. I knew what I had to do.

I wrote the school and told them why I was dropping out. Nevertheless, I had to pay the price for dropping out. Today I am happy that I stayed with the Word of God.

This message was not only for our young people but for all ages in the congregation. For whosoever that has ears to hear, let them hear what the Spirit said to the church.

In this Newsletter, Perfect Love Tabernacle would like to appreciate Sister Marilyn White for all the wonderful things she does for our church and the Lord. Sister Marilyn is one of our longstanding members.

She came to Perfect Love Tabernacle in 1991 at the age of twenty-one. She has been an active member since 1992. She became a member even before the church's present location. She has witnessed and been a part of many changes in Perfect Love Tabernacle over the years. She is known as one of our foundational members.

Sister Marilyn is not only well known and loved in Perfect Love Tabernacle but in many Message churches throughout the world. She is also well known for her voice, a beautiful gift from God, and her love for music, and she is very personable. She is a strong woman of faith and conviction, and she truly loves the Lord. Many can attest to the simple things that she does; although they may appear to the outsider as no big deal, it reflects her love and appreciation for the Saints of God.

Week after week, Sister Marilyn is at her post of duty. I am sure on occasion, like us all, she would love to put her duties aside and relax for a service or two. But for her, the work of the Lord is far more important. On top of being a musician at Perfect Love Tabernacle, she holds a ministry for God through song. Every Sunday, she dedicates it to the Lord; whether practicing with the children or the youth group or helping a singer sing a song, she will take her time after service to help another.

Sister Marilyn has also been the church's secretary for more than ten years, and she has supported the ministry over the years. Some of the virtues that Sister Marilyn holds are she is always willing to lend a hand, honest, forthcoming, orderly, courageous, caring, and kind. Many of you can agree that our sister has been a listening ear, a secret prayer warrior, a personal prayer partner, a woman of encouragement in the Word, and a joy to the children as she is known as "Auntie."

Although she has shared a Christian walk of many amazing victories, heartfelt love, and beautiful testimonies, like all of us, she has had her share of loss and disappointments. One thing you can admire about her is that there has never been a valley so low for her not to rise. If you fellowship with Sister Marilyn or listen to her testimonies, you will soon learn that she dedicates every aspect of her life to the Lord in prayer and fasting.

I encourage you to take a minute or two to appreciate our sister and, if you have more time, hear her life stories. Her testimonies and prayer life will be such an encouragement to you.

*Psalm 28:7, The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore, my heart greatly rejoiceth; and with my song will I praise him.*

# IN THE SPIRIT

## How I received the Holy Ghost

*By Sister Angelina Latchman*

As a child, I grew up going to church and heard about God and how I should live. Yet there were times I didn't want to go to church but just went along because my dad was the Pastor. I went to church, but my mind wasn't entirely there.

After getting married, I came to Canada and started attending Perfect Love Tabernacle. I was going through the same form of going to church. I would hear Pastor Nelson preaching about the Holy Ghost, and that's all we need from here to eternity, and without the Holy Ghost, you are lost.

In December 2014, I fell sick. I got weak that I could hardly do things for myself, my husband, and my daughter, who was just eight months old. It was such a struggle for me, and I felt as though I was about to die.

I took different doctors' treatments, but I still wasn't getting better. At this point, I thought, what if I should die? I would be lost. That's when I got serious. I started to find out more about the Holy Ghost. I remember searching for the message, "What is the Holy Ghost?" After listening to that message, I learned that it is the Spirit of Jesus Christ in me. I started to search for more as to how to receive it. I knew that it was an experience you must have from God.

I then remember hearing Pastor Nelson preaching about purging your life before you receive the Holy Ghost and having to make all your wrongs right. You must forgive and move on. He emphasized that something must happen so you could look back to when you received the Holy Ghost. At this point, I started to get desperate for that experience of the Holy Ghost.

I started to search my life and made all my wrongs right; some were embarrassing, but I made them right because I needed that assurance of making it with God. After all, if I should die, I don't want to be lost. I had started a schedule for praying every day and crying out to the Lord for the Holy Ghost.

I remember telling Pastor Nelson I need the Holy Ghost. His reply was, "*Blessed are they which do hunger and thirst after righteousness: for they shall be filled.*"

I didn't stop praying but continued crying out every day.

Friday night service September 05, 2015, I remember Pastor Nelson had to attend a wedding, so he came to church a little late. It was at the end of the service when we stood for prayer. Pastor Nelson said the Holy Ghost is here. I started praying sincerely, saying, "Lord, I don't want to waste my time coming to church. In the end, it's all for nothing, and if I die, I don't know where I'll go. I need that touch, that experience with you, the Holy Ghost. I don't want to be lost." Then suddenly, I don't know what happened, but I started to pray louder and louder, then I began to cry, thanking God for filling me with

## My Healer

God Bless you Saints,

I would like to thank God for healing my body. I was very sick with back and stomach pain and I was in immense pain. It was difficult to move around or get anything done.

On Wednesday service, July 20, 2022, Brother Nelson called a prayer line, as we were singing 'Only Believe.' I felt the Anointing in my home. I did not say out the words that I was in pain but in my heart, God knew what I felt. While the Holy Spirit was leading Brother Nelson, he said "I'm seeing somebody right now...in the name of Jesus Christ of Nazareth, Lord I pray for that individual right now, they are going through a lot of pains in their body, I send the power of God into that place, touch their body right now in Jesus' name. " Instantly I felt the presence of God healing me and the pain I felt was gone.

The next day I was able to wake up pain free and function COMPLETELY NORMAL. Thank you, Pastor, for yielding yourself.

Thank you, Jesus, for healing me. To God be the Glory.

## With His Stripes We Were Healed

God bless you Pastor Nelson and Saints.

I want to give thanks to Him for healing my back that I sprained in July. During the past five weeks or so, I was continually taunted by the devil that I would not be healed, and there were times I was feeling so down because of the pain and my movements were limited, I felt discouraged.

Brother Sam Isaac was speaking a few weeks ago, he called out to me to hold onto the promise of the Lord for my healing, despite what I was going through, I held onto that.

Thank you, Saints, for your prayers and thank you Pastor Nelson, for your encouraging word that by our Testimony we defeat the devil, so today I am not defeated. This life is a battle, but we must keep on the armour of God to sustain us. I hold onto the scripture, Isaiah 53:5 *But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed.*

Thank you, Lord Jesus, for your love, grace, and mercy.

## I keep Pressing On

I thank God for making a way for me to come to the service on Sunday, August 14, 2022. I was scheduled to work from 10:00 am to 6:00 pm but it was canceled.

I was so blessed with the testimonies to see how God provides for everyone. Sister Ursula's testimony was a great encouragement and inspiration to me of how God spoke to Brother Isaiah by sending a young lady to talk to him about the salvation of his soul. I will keep holding on to the Promise for my children and loved ones, and I left them in the hands of the Lord, as God works in mysterious ways; I keep pressing on.

After the service on Friday night, while I was on my way home, I met a young man at the bus stop intersection of Markham and Progress. I saw him sitting on the chair in the cubicle, but I did not get in, and the breeze was a bit cold that night. I wanted to get into the booth, but I was hesitant. I glanced at him and thought, "he is a Christian." But I said to myself if it's my thought, "Lord, forgive me."

The young man approached me and asked me if a bus was coming, and he told me that he had been waiting for thirty minutes and could not navigate because he had a problem with his phone. I told him thirty-nine seconds more, then I looked again at my phone and told him seven minutes more.

While waiting for the bus, I asked him, "Are you a Christian?" Then he said, "Yes I am a Christian." I asked him his name, and he told me Jerry, which started our conversation. He asked me where my place was, and I found out he was at the 6th house from my home. He told me he saw me in the morning passing by his house. When we got off the bus, I told him, "We're neighbors, lets go together."

As we walked, we fellowship and talked about his work, and I just told him to have patience, pray continually, and hold on to Jesus.

When I got home, I remembered when Brother James spoke in tongues in one of the services, and the interpretation was that the message goes to the Youth now, and we prayed for the Youth.

I thank God for meeting that young man from Friday night service, and I leave it in the hands of the Lord that we might fellowship again by the grace of God.

I thank God for His goodness and mercy.

Sister Marilyn Ramos\*

## My Promise

I want to thank God for the salvation of my children: Jasmine, Jermaine, and Melody. God gave me His Word, and it cannot return to Him void, so it must do what it will.

When I was weeping for my children in the early year of 2000, the Lord said to me in Jeremiah 31:16-17,

*16 Refrain thy voice from weeping and thine eyes from tears: for thy work shall be rewarded, saith the Lord; and they shall come again from the land of the enemy. 17 And there is hope in thine end, saith the Lord, that thy children shall come again to their own border.*

It is thus saith the Lord, and I give Him thanks because God watches over His Word to perform it.

God bless you Saints.

Sister Dawn Walker\*

## God Our Provider

We would like to thank God for being our Jehovah Jireh.

I needed some extra money for grocery to prepare for the new school year.

We used some of our bill's money and we were not sure how we would work it back. God is so mindful for everything in our lives.

God worked on one of His childrens' heart to give us that exact amount of money on a Wednesday night service. Our hearts are overjoyed, and may God extend His richest blessings to whoever it is.

Secondly, the Thursday, Joel helped a neighbour take some heavy water bottles into her house. She told him that she often buys extra groceries at Costco, and then sent three bags of groceries home with him.

Thank You Lord for being our Provider.

Sister Hannah Dickson\*

## God Our Protector

I want to thank God for protecting my family.

On Monday, September 19, 2022, I cooked all day, and since everyone was at home, I wanted us all to have a sit-down meal together. After I called them and was getting ready to dish out the food, a plate slipped from the counter and shattered over the pot of rice and meat that was ready to be served. I was so heartbroken. It did not look like it went into the pots, but I moved the pots and ran my hand under the counter that the pots were on, and sure enough, it was covered with tiny little glass pieces.

Then a thought came to me to pray over it. I looked over the food and found nothing in the pots. I told myself if I found even one little piece of glass, I would throw away the entire meal. And then the scripture came to me where someone had said, *O man of God, there is death in the pot.* And Elisha said, *Then bring me the meal....* And he said, *Pour out for the people, that they may eat. And there was no harm in the pot.* 2 Kings 4:40-41. I decided to serve the meal, and before I completed it, one of my sisters started to sneak some food into her mouth, but I told her to wait.

Everyone was seated at the table, and I decided to bless the food because I knew what scripture had popped into my mind. We all ate, and as we ate, I got nervous, but I reassured myself that I had prayed. We all finished and enjoyed it. No one seemed to have cared or even really noticed.

I want to thank God for protecting us.

## **Mercy Rewrote His Life** *by Sister Gail Hing*

It was during the service when the evangelist got to the pulpit. The young man didn't wait for the altar call; he walked up to the evangelist and said, "Parson, I want to accept Jesus as my personal Savior."

"Certainly, son. I'm happy to hear you say that and to pray with you. But what is the sudden change? What's happened? Have you ever been to church much?"

"No, sir, I haven't. I've been more or less a vagabond. I was out up the Northwoods and got without money. So, I looked for a job to get enough money to go on.

I got a job at a lumber camp. They hired me to assist an aged woman of color with the cooking and, after, to wash the dishes. We slept in a little back room. And between my part and the old lady's part was a piece of canvas that separated us.

About two nights after I had been there, I had just washed the dishes and was lying in bed thinking when I heard voices by my window and a funny noise, a mournful rumbling sound. I pulled my head out of the cover and listened. Then I heard one of those great giant husky woodsmen say, "Jim! We better go down to the cabin, or we may be blown off the face of the earth in the next few minutes."

I jumped up and went to the window. I saw a long pipe-shaped cloud, and soon after, there was a blast of thunder and lightning; it scared me.

The old lady knocked on the little canvas and said, "Son, come over on my side, I got a lantern lit here."

I went to her section, and she took me by the hand and said, "Young fellow, are you a Christian?"

I said, "No ma'am, I'm not a Christian."

"Did you ever pray."

"No, I've never prayed."

She said, "You better be praying, for these twisters lay everything flat on the ground. We will be blown into pieces if this hurricane stays in its path."

The Parson interrupted the young man and asked him, "Did you pray?"

"No, Reverend, I was too scared to pray. I couldn't get my thinking right. Every time I started to pray, a tree would root up and slam against the cabin. I couldn't pray.

The only thing I could do was sit and watch that old saint pray. She prayed with such calmness and assurance. She was talking to somebody she had spoken to before and who had the power to stop the hurricane.

In my heart, I said, "Lord, if you'll be merciful to me when I get out here, I'm going to know you as my Savior." And that's what I'm here for now. I don't know when I'll hit another storm like that, and I wanted to come while I was in my right mind and could pray."

## What is Your Impact?

by Brother Joel Dickison

Sometimes we all feel like we are just going through the motions and we are just surviving day to day. But each of us has a purpose and reason to live. Since God can't come down Himself and witness to souls, He uses us to bring souls into the kingdom of God. Each of us must have an impact at some point, in some way.

Throughout this writing, I will be referencing the story of the Legion in Mark 5:1-20. Now we aren't the only ones that impact this world; devils also have an impact. In John 10:10, Jesus says, *The thief cometh not, but for to steal, and to kill, and to destroy.* We know that the thief Jesus is speaking about is the devil, but devils can't just come and wreak havoc themselves; they must have a vessel to use. We see this in the story of Legion. Before Jesus cast out the demons, they asked Him to send them into the herd of swine. When the demons went into the pigs, it drove them so crazy that all the pigs ran off the cliff into the sea so they wouldn't have to bear the torment that the demons brought. Before Jesus Christ came near Legion, he ran to Jesus and begged for mercy.

The devils that had tormented that poor man's soul begged Jesus not to bother them. That is the impact that God has. His very presence is enough to make demons run and beg for mercy. In Mark 5: Now, what about us? As we saw the impact of God when he approached Legion, those who have the Holy Spirit are the same way.

We had heard how Brother Nelson talked about Brother Bovell when a few other brothers were rebuking a demon out of someone. It said, "We must go! Brother Bovell is coming!" When we are filled with God's Spirit, read His Word, and stay prayed up, demons will tremble before us.

For in John 14:12-13 the Bible says, *Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do, because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.*

## **Comforted by His Word**

God bless you, Saints,

I want to thank God for confirming His Word. Sometime in August, when we were doing family prayers, we read the scripture 1 John 4:4, *Greater is He that is in you, than he that is in the world.* I got comforted through the Word because I was worried about high school (I was starting the following week).

On Sunday, September 04, 2022, Brother James quoted the same scripture while praying for young people, and Pastor Nelson mentioned the same thing. I thank God for confirming His Word, and I will keep holding that Word throughout the school year.

## **God Answers Prayer**

God bless you, Saints,

*But rather seek ye the kingdom of God; and all these things shall be added unto you.* Luke 12:31.

I'm happy to share this testimony through this article. In 2021 I was studying Fall semester at my college. I had many assignments and projects. On Wednesday, September 14, I had my final project due the same day. So, I started early to do my final project, and I couldn't finish it before I came to church that day. And due time was 11.59 pm. So, I thought about staying at home and finishing my project.

That time God reminded me of the Bible verse, *Seek ye first the kingdom of God; and all these things shall be added unto you.* Luke 12:31. I prayed to God, saying, "Lord, if I stay home rather than going to church, I can finish this project, but I want to give you the priority. Do something, Lord." And I came to church. After I finished the service, I went home around 10.30 pm. And I had 1 hour 30 minutes to submit my project. But I know that completing the project will take a minimum of 3 hours. I did as much as possible and submitted it at the given time. I knew for sure that I was not going to pass this course. So, I prayed to God to at least make me score 50% so I could pass.

When I got the results for the course, which I thought I would have failed, I scored more than 95%. That's the course I got the highest compared to others I did in the same semester.

I thank the Lord Jesus that he heard my prayer and taught me a lesson to give the first place to him regardless of whatever happens.

### Memory Verses

- 1) 1 Thessalonians 5:17 - Pray without ceasing.
- 2) Romans 10:13 - For whosoever shall call upon the name of the Lord shall be saved.
- 3) Psalm 119:105 - Thy word is a lamp unto my feet, and a light unto my path.

### Jesus, The Good Shepherd

Jesus said in John 10:11 "**I am the good shepherd. The good shepherd gives His life for the sheep**". What a blessed assurance that we can always trust His faithfulness! As a Shepherd, He watches over you. But remember children, that you are sheep and not goats and Jesus desires us all to conduct ourselves as sheep.

While in school and at home, we must display the character of Jesus Christ. But how can we do this sincerely before God? By always taking heed to God's word (Psalm 119:9). We can do this by reading our Bibles and praying every day and keeping the right company. Always remember children that we are sheep and Jesus is our good shepherd. Keep following! Amen.

## Bible Reading

### **The Prodigal Son - Luke 15: 11-32**

What I learnt from the Bible Story:

- 1) There were two sons.
- 2) The dad gave his son his share of money.

### **The Lord is My Shepherd - Psalm 23**

- Ruth Thayalakumar (11 years old)

What I learnt from the psalm:

The Lord is my shepherd who guides me and keeps me calm. He restores my soul. When I walk through darkness I will not fear because God is with me, and He will comfort me. He blesses so much. My cup is overflowing. Goodness will be with me until I die, and I will always serve the Lord.
